## Carrier VRF Air Condition Units AC - KNX Gateway Compatibility List

## **Carrier AC KNX Gateway Compatibility List**

In this document, the compatibilities of Carrier air conditioners with ITR830-XX19 are described.

Specified models in the document are referred to as **indoor units**. If the last user wants to operate an AC unit with a model number not specified in this document might not be compatible with ITR830-XX19. Models should not be used without checking model compatibility. The user should contact with supplier for this. Moreover, we recommend the users pay attention to the possible updates of the document.

## Compatibility Table

The models described in the table below refer to only indoor units. If there is a model number not specified in this list, please contact us for a compatibility check. Moreover, **xxx** means the capacity of the indoor unit.
